

## 2008 Bay- Valley Series

1. **Bay- Valley races will be a combined Bayland & Tri- Valley members with 3 races at each track for a total of 6 series races with 1 throw out. The throw out race can be a no show race. Participation in a minimum of 5 races is required.**
2. **The point structure will be identical to the point structure of that track. For example, participants competing at a Bay- Valley series event held during a Tri- Valley Club race will receive points for the Bay- Valley series as outlined per Tri- Valley Club point structure.**
3. **Participants in the Bay- Valley Series will receive points for the Bay- Valley Series and their club points if the event is held at their club. For example, A Tri- Valley member who participates in the Bay- Valley Series held at Tri- Valley will receive points for both. Also, if a Bayland's member participating at a Bay- Valley event held at Tri- Valley, will only receive points for that series.**
4. **For those who choose not to participate in the Bay- Valley Series will receive club points for that club regardless if they're members of that club or if they are eligible for year- end club awards. For example, if a member of Bayland's participates at a Tri- Valley club race that is also a Bay- Valley Series race and chooses not to participate in the series, they will receive Tri- Valley club points, regardless if they're members or if they are eligible for year- end club awards.**
5. **An additional \$10.00 Bay- Valley Series fee will be collected at each series event for the end of the year Bay- Valley awards. Number and type of awards will be based on the number of participants and fees**

**collected. All series fees collected will be allocated to the series awards.**

- 6. All other rules or racing protocols for the Bay-Valley Series will follow those of the host club and/or QMA.**
