**Regarding: Proposed By-Laws changes**

Doug expressed concern about voting on approving the proposed By-Law changes. There has not been much input from the club in regards to these changes, and some have contacted Doug with some opposition to the Club meetings being changed to Board Meetings along with the voting procedures. There are also some other items in the By-Laws that should be addressed, however there is not enough time at a club race to review, discuss and make any changes.

Dana Ambrisko made a motion to review the By-Laws next year 2012 and make changes and updates at that time. Ralph Sermeno seconded.

17 members voted in favor.  
0 against.

Meeting adjourned at 8:46am.

Meeting minutes taken by Baylands Club Secretary, Dana Ambrisko.
